2022 PARTNERSHIP PACKAGE

The National Association of Real Estate Brokers, Inc. (NAREB) is the oldest and largest African American trade association. NAREB was founded in 1947 and we continue to uphold the original philosophy that NAREB would serve as a beacon of excellence, forever guiding and preparing its membership to meet the challenge of each new tomorrow.

NAREB is an integrated entity open to qualified practitioners of all races who are interested in achieving the ideals of the Realists, which is “Democracy in Housing” for all. Therefore, the devoted members of the NAREB organization are referred to as “Realist.” Over the last 75 years, Realist have made substantial contributions towards this mission of democracy by working to provide housing without limitation or restrictions to all. In this regard, Realist are proponents of equal and fair housing opportunities for all citizens; we deem ourselves the voice and conscience of the cause.

NAREB has nine professional societies within the organizations: (1) The National Association of Real Estate Appraisers; (2) The Real Estate Management Brokers Institute; (3) The United Developers Council; (4) The Commercial Industrial Society of Realist; (5) The Sales Division; (6) The National Investment Division; (7) The Women’s Council; (8) The Young Realist Division; and (9) The NATPAC and (10) The Contractor’s Division. This cadre of Realist offer nationally recognized specialization training in the most essential sectors of real estate.

The continued mission of NAREB is to educate real estate professionals and promote the acquisition and the sustainability of homeownership. Because NAREB believes homeownership is the American dream, we are committed to keeping this dream alive.

This letter serves as an official invitation to join our respected and valued organization! We also extend an open invitation to participate in our 2022 events, which are great networking opportunities! The details of the 2022 events and sponsorship information are enclosed.
